

Welcome! We're glad you stopped by our website. We're hopeful you'll join us at one of our meetings and find a home to feed your photography interests!

Our club was founded in 2005 for all those with an interest in photography who wanted to continue to grow in their skills and socialize with others with a like mindset. We hold two meetings a month and have a monthly competition. In addition to these meetings we hold Club outings throughout the year with unique shooting opportunities.

The Cleburne Camera Club meets on the 1st and 3rd Mondays at 7 p.m. in the JN Long Cultural Arts Complex at 425 Granbury Street in Cleburne, in the large annex on the South side of the campus. The complex is just North of HEB on Granbury Street.

We have retired pros, pros, advanced amateurs, beginning amateurs using everything from point and shoots to the very latest DSLR's. All with different aspects of the club meeting their needs. The club has a wide skill range of photographic talent so there is a place for everyone to find a home.

Please explore our website, there is a lot of information on the club here. In addition if you have any questions not found here please email me at cleburnecameraclub@gmail.com.

We hope you'll come join us at one of our meetings!

Mike Mahaffey
President
